**BRUNCH RULES** The customer is usually right. • If you say, "I love you," mean it. • This is what people do on the weekends before 3pm. • We won't judge you if you're still wearing last night's clothes. We might even high-five you. • These rules should fill up some of the awkward silence with last night's new friend. • We'll understand if you need to leave your sunglasses on. • There is nothing like rolling out of bed and having tacos. • If our Brunch is your last meal of the day, then job well done!

WE MAKE ALMOST EVERYTHING  
**FROM SCRATCH**
